January 28, 2021

To Our Residents, Family Members and staff:

We are providing you with a weekly update regarding our latest COVID testing outcomes. We have 2 residents and 4 staff members at Saint Francis Rehabilitation and Nursing Center that have tested positive for COVID-19. We will continue to test every 72 hours.

Saint Francis Rehabilitation and Nursing Center is staying in very close communication with local and state health officials to ensure we are taking all the appropriate steps.

We will contact you if your loved one is suspected or diagnosed with COVID-19.

We know this is a difficult time for everyone. We will continue to provide you with updates as they become available. **Our website is updated daily or more as needed. Please visit www.saintfrancisrehab.com/coronavirus-community-updates for details.**

Sincerely,

Katie Joyce
